SAT-TV : No

Owner's Comments

Sun Kiss 45 charter version with added aft skirt (like Sun Kiss 47). Fresh water: 320L Sleeping capacity: 6 to 8 people Hull: Solid fiberglass polyester Deck: Balsa sandwich fiberglass polyester Lifting weight (crane): 15t Standing rigging: Single-strand Propeller: Recent folding propeller Seacocks and quarter-turn valves recent Lofran's windlass: 1500 W Plow anchor with 70m of D10 chain Self-tailing winches Surveyed in June 2025 at 91,500 euros (ninety-one thousand five hundred euros) This SUN KISS 45 is a production model from the Jeanneau shipyard, known for its robust and seaworthy sailboats. The Sun Kiss is fast, sturdy, and efficient, built with a classic structure featuring transverse reinforcements, floor timbers, and longitudinal stringers, structurally sound according to the owner. This sailboat has just completed 6 months of yard work, including engine replacement, standing rigging renewal, unstepping the mast, and various fiberglass repairs, all carried out by professionals. The navigation electronics appear complete and suitable. The owner adds: "The interior fittings are made from high-quality original materials. Despite their age (nearly 40 years), they remain functional and well-crafted thanks to their initial robustness. Its overall condition appears very good for a vessel of this age."
