Technical Details

The TECHNO YACHT PUMA 2 is a magnificent cruising yacht designed by the manufacturer Tecnoyacht, renowned for its expertise and innovation in naval construction. This used boat combines elegance, comfort, and performance, making it an ideal choice for sailing enthusiasts and families seeking unforgettable maritime voyages.
Main Characteristics:
- Length overall: Approximately 16 meters -
- Beam: Approximately 4.80 meters -
- Draft: Approximately 2.50 meters -
- Displacement: Approximately 25 tons -
- Fuel capacity: Tanks capable of holding up to 2,000 liters of fuel, ensuring great navigational autonomy. -
- Freshwater capacity: Tanks capable of holding up to 1,000 liters of fresh water, guaranteeing water autonomy. -
- Engine: Equipped with a powerful diesel engine, often a Yanmar or a Volvo Penta, offering power in the range of 150 to 200 horsepower. -
- Cruising speed: Approximately 8 to 10 knots, with a maximum speed that can reach 12 knots. -
- Interior layout: The TECHNO YACHT PUMA 2 has three to four cabins, offering optimal comfort for up to 6 to 8 people. The cabins are spacious and well-equipped, with double beds and integrated storage. -
- Bathroom: Equipped with a shower, sink, and electric toilets, ensuring modern comfort on board. -
- Kitchen: A well-equipped kitchen with a refrigerator, freezer, oven, and cooktop, allowing for the preparation of complete meals on board. -
- Dining room and lounge: A convivial living space with a dining table and sofas, ideal for moments of relaxation and meals with family or friends. -
- Navigation electronics: Equipped with modern navigation systems, including a GPS, sonar, radar, and onboard instruments for safe and precise navigation. -
- Safety equipment: Compliant with current safety standards, with life jackets, life rafts, extinguishers, and smoke detection systems. -
The TECHNO YACHT PUMA 2 is a perfect choice for those seeking a reliable and comfortable cruising yacht, capable of navigating safely over long distances. Its elegant design and modern equipment make it a highly sought-after used boat on the market.
