Technical Details

The Chris-Craft Crowne 26 is an iconic boat from the Chris-Craft Boats brand, renowned for its craftsmanship and timeless elegance. This model is an excellent choice for those seeking a combination of performance, comfort, and style.

Main Features:

- Overall Length: 8.08 meters -
- Width: 2.59 meters -
- Draft: 0.91 meters -
- Dry Weight: Approximately 2,500 kg -
- Fuel Capacity: 200 liters -
- Passenger Capacity: 8 people -

Engine:

The Chris-Craft Crowne 26 is typically equipped with inboard engines ranging from 220 to 260 horsepower, providing sufficient power for enjoyable and safe outings at sea. The engines are often Mercury or Chris-Craft, known for their reliability and performance.

Comfort and Equipment:

This model is designed to offer maximum onboard comfort. It features a spacious cockpit with comfortable seating and an ergonomic dashboard. The foredeck is arranged for relaxation, with cushions and storage spaces. The cabin, though compact, is functional and can accommodate passengers for overnight stays.

Performance:

With a cruising speed of approximately 20 knots and a maximum speed of 30 knots, the Chris-Craft Crowne 26 is ideal for sea outings, coastal cruises, or family excursions. Its maneuverability and stability make it a safe and enjoyable boat to drive.

Design and Finishes:

The classic Chris-Craft design is highlighted with elegant lines and high-quality finishes. The materials used, such as teak and stainless steel, ensure durability and timeless aesthetics.

In summary, the Chris-Craft Crowne 26 is a versatile and elegant boat, perfect for sailing enthusiasts who seek both performance and comfort. Whether for family outings or excursions with friends, this model will meet all your expectations.
