## Technical Details

The Jeanneau Merry Fisher 750 is a versatile fishing and leisure boat designed to offer exceptional performance and optimal comfort. This model is particularly appreciated for its maneuverability and robustness, making it an ideal choice for sea outings, whether for fishing, family excursions, or longer trips.

Main characteristics:

- Overall length: Approximately 7.50 meters -
- Width: Approximately 2.53 meters -
- Draft: Approximately 0.50 meters -
- Displacement: Approximately 2,500 kg -
- Fuel capacity: Approximately 100 liters -
- Freshwater capacity: Approximately 50 liters -
- Engine: Generally equipped with an inboard diesel engine of 150 to 200 horsepower -
- Cruising speed: Approximately 20 knots -
- Maximum speed: Can reach up to 30 knots depending on the installed engine -
- Sleeping capacity: Comfortable for 2 to 4 people -
- Standard equipment: Spacious cockpit, chart table, stove, refrigerator, marine toilet, outdoor shower, etc. -
- Available options: Radar, GPS, depth sounder, heating, air conditioning, etc. -

The Merry Fisher 750 is renowned for its stability and safety at sea, thanks to its semi-displacement hull that ensures good handling and pleasant navigation even in rough seas. The cockpit is designed to offer maximum space and comfort, with modular seats and clever storage solutions.

This boat is also appreciated for its environmental performance, with moderate fuel consumption and reduced emissions, making it an eco-friendly choice for responsible navigation enthusiasts.
