Technical Details

The Azimut 55 is a magnificent luxury yacht designed by the renowned builder Azimut, known for its elegant and high-performance boats. This model perfectly embodies the balance between comfort, style, and technological innovation.

Main Characteristics:

- Overall Length: 16.96 meters -
- Beam: 5.03 meters -
- Draft: 1.55 meters -
- Displacement: 32 tons -
- Freshwater Tank: 1,000 liters -
- Fuel Tank: 4,000 liters -

Engine: The Azimut 55 is typically equipped with MAN or Cummins diesel engines, offering a total power of 1,670 horsepower, allowing it to reach a maximum speed of 30 knots and a comfortable cruising speed of 25 knots.

Interior Layout: This yacht features three cabins, including a spacious master suite at the bow, two guest cabins, and two bathrooms. The salon and cockpit are designed to offer a luxurious and functional living space, with high-quality materials and a modern design.

Equipment: The Azimut 55 is equipped with numerous comfort and safety options, such as an advanced navigation system, air conditioning, a sound system, and leisure equipment like a diving system and fishing gear.

Performance and Handling: Thanks to its planing V-hull and powerful engines, the Azimut 55 offers excellent stability and exceptional maneuverability, even in rough seas. It is ideal for long cruises and outings with family or friends.

In summary, the Azimut 55 is a versatile and luxurious yacht, perfect for those seeking a blend of performance, comfort, and style.
