Technical Details

The Kelt 760 DL is a versatile and robust cruising sailboat designed by the manufacturer Kelt to offer exceptional performance and optimal comfort at sea. This boat is particularly appreciated for its stability, maneuverability, and navigation capabilities both in coastal waters and offshore.

Main characteristics:

- Length overall: 7.60 meters -
- Beam: 2.40 meters -
- Draft: 1.20 meters -
- Displacement: Approximately 2,500 kg -
- Sail area: Approximately 30 m² -
- Hull material: Fiberglass-reinforced polyester -
- Fuel capacity: 40 liters -
- Fresh water capacity: 80 liters -

The Kelt 760 DL is equipped with a spacious and ergonomic cockpit, offering great ease of maneuvering. The deck is well-designed to allow easy and safe circulation. The interior of the boat is carefully arranged to provide a comfortable living space, with a main cabin, an equipped kitchen, and abundant storage spaces.

This sailboat is ideal for both experienced sailors and amateurs, thanks to its robustness and ease of handling. The Kelt 760 DL is an excellent choice for family outings or with friends, offering both performance and security.
