Owner's Comments : The Volvo Penta D2-55 marine engine delivers 55 hp with exceptional comfort. Low revs allow for silent cruising and very low vibration levels. Harmful emissions are extremely low. Its very compact dimensions simplify installation. The 115A alternator with an integrated charge regulator provides fast charging for all on-board electrical needs. This engine sets a new standard for on-board comfort.

The D2-55 is an advanced marine engine, built with high-quality components to meet the demands of boaters.
