

## Main datas

Builder : Fountaine Pajot

Year : 2004

Length : 10,30

Draft : 0,95

hull : Catamaran (2 hulls)

Area : Greece

Berth details :

Flag :

Subtype :

Architect :

Material : GRP

Beam : 4,45

keel : Twin keel

Life Raft : Yes

Mooring : No

Leasing in progress : No

## Engines

Brand : NANNI

Montage : In Board (IB)

Power Unit. (CV) : 115

Comments : The engine is in the highest possible state for the age of the boat. By local professional on May 2023.

Shaft : Shaft drive

Brand : NANNI

Fuel : Diesel

Comments : Maintenance by owner. Service of both engines, including cleaning exhaust discharge elbow, by local professional on May 2023. The power of the engines is the highest possible for the Greenland 34.

Shaft : Shaft drive

## Facilities

Sailor Cabin : 0

WC : Electric

Helm : Yes

Double Cabin : 2

Head : 2

Flybridge : Yes

---

## Electronics

Radar details : PATHFINDER

Sounder details : RAYMARINE DSM 300

Plotter details : E120 & C80 at Fly.

Watermaker details : SCHENKER M 30 ELECTRON ( need service. Membranes + spares on board)

Radar : Yes

Autopilot : Yes

GPS : Yes

VHF : Yes

Watermaker : Yes

---

## Bridge equipment

Hydrolic Gangway : No

Bath platform : Yes

Winter cover : No

Furling mainsail : No

Sails details :

Teak cockpit : No

Gangway : No

Davits : Yes

Electric windlass : Yes

Furling genoa : No

Spinnaker : No

Teak deck : No

---

## Major equipment

Stern thruster : No

Group and thruster details :

Charger and AC details :

Tender : Yes

Details : TOHATSU 5HP

Bow Thruster : No

Marine Gen. : No

AC : No

Flaps : No

Tender Engine : Yes

# Appliances

Freezer : Yes

Microwaves : Yes

Oven : Yes

Heating details :

Heater : No

TV : No

TV antenna : No

SAT-TV : No

IceMaker : No

Oven : Yes

Electric stove : No

SAT-TV : No

---

## Divers

Comments : The Greenland 34 comes from the new generation of trawlers launched by the Fountaine Pajot shipyard. It will amaze you with its ergonomics, its innovative lines signed Olivier FLAHAULT and its hull forms designed by architects Joubert / Nivelt. With great comfort on board, the Greenland 34 has excellent behavior at sea formed, but also at anchor without the slightest roll. With a top speed of 15/18 knots and 1,000 miles of range (at 6.4 knots), the Greenland 34 will take you to new horizons.

Two hulls for the greatest comfort: The square is the friendly place of all times with a panoramic view of the sea. It includes a cleverly designed kitchen, a table for 6-8 people, very spacious storage. Its contemporary style blends harmoniously with the different materials (light mahogany cabinetry, kitchen worktops and blue fabrics). The chart table is ideally placed at the front of the square.

For privacy, the cabins are easily accessible in each hull: to starboard as to port you have a large double cabin and a separate toilet. The cabins are bright and well ventilated by portholes and opening hoods.

The propulsion is provided by two engines NANNI DIESEL of 115cv (rare power for this model).

SEAL WEFAX WEATHER decoder, VHF fixed ICOM IC\_M601, hand held VHF ICOM 1V, BEACON EPIRB SERPE 400S.

Additional GO and fresh water tanks for long autonomy (1228 liters GO & 365 liters fresh water). Portable deep freeze 12V/220W.

550W Solar panels with MPPT regulators + convertor MASS COMBI 12/2000-100.

Owner specific layout. Each hull has a double bed towards the stern and its own electric head / handbasin / electric WC / shower up at the pointy end, with storage inbetween. Transformable saloon. She has never been used for charter. Single owner. Single skipper.

Ready to sail (liferaft ZODIAC OPEN SEA 6 person).

More details and viewing on appointment.
