## Technical Details

The Nautitech 40.2 is a cruising catamaran designed by the French manufacturer Nautitech, known for its high-quality and high-performance boats. This model is particularly appreciated for its balance between comfort, performance, and versatility, making it an ideal choice for demanding and adventurous sailing enthusiasts.

### Main Characteristics:

- Length Overall: 12.34 meters -
- Beam: 7.28 meters -
- Draft: 1.30 meters -
- Displacement: 9.5 tonnes -
- Sail Area (upwind): 78 m<sup>2</sup> -
- Sail Area (downwind): 120 m<sup>2</sup> -
- Fresh Water Capacity: 600 liters -
- Fuel Capacity: 200 liters -

### Performance and Maneuverability:

The Nautitech 40.2 is equipped with two identical hulls, ensuring exceptional stability and maneuverability. Its modern and streamlined design, combined with high-quality materials, guarantees a prolonged lifespan and low maintenance. The sails are designed to provide good performance both upwind and downwind, enabling fast and safe navigation.

### Onboard Comfort:

Inside, the Nautitech 40.2 offers a spacious and bright living area thanks to its large windows and open deck. The cabins are comfortable and well-appointed, providing optimal privacy and comfort for long voyages. The kitchen is equipped with all necessary appliances to prepare complete meals, and the salon is designed for moments of relaxation and conviviality.

### Safety and Equipment:

In terms of safety, the Nautitech 40.2 is equipped with numerous safety devices, including modern navigation systems, communication equipment, and passive safety devices. Additionally, it offers several optional equipment choices to meet the specific needs of owners.

In summary, the Nautitech 40.2 is a versatile and high-performance cruising catamaran, ideal for sailors seeking to combine comfort, safety, and performance. Whether you are an experienced sailor or a cruising enthusiast, this boat offers an unparalleled sailing experience.
