Technical Details

Faeton 730 Moraga is an elegant and high-performance boat, designed by Faeton Yachts to offer an exceptional sailing experience. This used boat is ideal for sailing enthusiasts and experienced mariners who are looking for a perfect balance between comfort and performance.

Main Characteristics:

- Overall Length: 7.30 meters -
- Beam: 2.40 meters -
- Draft: 0.80 meters -
- Displacement: Approximately 1,200 kg -
- Construction Material: Fiberglass with carbon reinforcements -

Performance and Navigation:

- Sails: Mainsail and genoa in Dacron or laminated, offering good maneuverability and excellent performance close to the wind. -
- Engine: Auxiliary 5 HP engine, allowing easy maneuvers and increased autonomy. -
- Hull Design: Semi-planing hull for better stability and better performance while sailing. -

Comfort and Equipment:

- Cockpit: Spacious and well-designed living area, with ergonomic seats and a removable chart table. -
- Cabins: Main cabin with a double bed and integrated storage, as well as a forward cabin for guests. -
- Safety Equipment: Complete safety kit, including life jackets, a lifebuoy, and a VHF communication system. -

Maintenance and Upkeep: The Faeton 730 Moraga is easy to maintain thanks to its robust construction and high-quality materials. Owners can easily access all parts of the boat for regular inspections and repairs.

The Faeton 730 Moraga is an ideal choice for those looking for a reliable and high-performance used boat, offering both comfort and sailing pleasure.
