	Flybridge : No

## Technical Details

Belliure 50 is a cruise sailboat designed by Astilleros Belliure, a renowned builder known for its high-quality and high-performance boats. This model is particularly appreciated for its elegant design, robustness, and sea performance.

Main Characteristics:

- Overall Length: 15.24 meters -
- Hull Length: 14.48 meters -
- Beam (Width): 4.57 meters -
- Draft: 2.50 meters -
- Displacement: 22 tonnes -
- Sail Area (Close-Hauled): 120 m² -
- Sail Area (Reaching): 200 m² -

Construction: The hull is constructed with fiberglass and Kevlar reinforcement, offering excellent resistance and optimal lightness. The deck is also made of fiberglass, ensuring durability and safety.

Interior Layout: The Belliure 50 features three double cabins, each offering comfortable living space. The main cabin is located at the bow and benefits from large windows for maximum brightness. The kitchen is well-equipped with modern appliances, and the salon is spacious, ideal for meals and relaxation.

Performance: Thanks to its long keel and optimized sail profile, the Belliure 50 offers excellent stability and impressive sailing performance. It is capable of navigating efficiently in various wind conditions, making it an ideal choice for long cruises and regattas.

Safety and Comfort: The Belliure 50 is equipped with numerous safety features, including modern navigation systems, communication equipment, and rescue devices. Comfort is also a priority, with an air conditioning system, comfortable beds, and modern sanitary facilities.

Conclusion: The Belliure 50 is a versatile and high-performance sailboat, ideal for cruise enthusiasts and racers. With its elegant design, robust construction, and high-quality equipment, it offers an unforgettable sailing experience.
