## Technical Details

Salona 37 is a cruising sailboat designed by the Croatian builder Salona, known for its high-performance and elegant boats. This model is particularly appreciated for its balance between comfort and performance, making it an excellent choice for those who enjoy both sporty and comfortable sailing.

### Main Characteristics:

- Overall Length: 11.30 meters -
- Beam: 3.70 meters -
- Draft: 2.10 meters -
- Displacement: 6,500 kg -
- Sail Area (upwind): 72 m<sup>2</sup> -
- Sail Area (downwind): 130 m<sup>2</sup> -
- Water Capacity: 250 liters -
- Fuel Capacity: 100 liters -

### Performance and Maneuverability:

The Salona 37 is equipped with a generous sail plan that allows for optimal performance while remaining easy to maneuver. Its modern design and clean lines offer great stability and excellent seaworthiness, even in rough conditions.

### Comfort and Habitability:

Inside, the Salona 37 offers a comfortable living space with a spacious main cabin, comfortable berths, and a well-equipped kitchen. The boat is designed to accommodate up to 6 people on a cruise, with particular attention paid to storage and functionality.

### Construction and Materials:

The Salona 37 is built with fiberglass, featuring a robust hull and a solid deck, ensuring durability and safety. The finishes are of high quality, with materials selected for their resistance and aesthetics.

### Safety and Navigation:

The boat is equipped with all the necessary features for safe navigation, including a modern navigation system, safety equipment, and rescue devices. The cockpit is designed to offer optimal visibility and easy maneuverability.

The Salona 37 is a versatile sailboat suitable for both coastal cruises and long-distance voyages, offering an excellent balance between performance, comfort, and safety.
