TV antenna :No
TV :No
Sat tv antenna :No

Miscellaneous

Comments :This GUY BONNET 31 FISHING is in very good condition and will delight the lovers of fishing off. Very robust construction, this boat passes the wave in all weather thanks to its propulsion of 2 * 200cv VOLVO. The electronic equipment is very complete and oriented fishing. The set of valves and hulls was replaced in 2018, the hull was scraped at the same time. The boat has 3 batteries (2 engines and a recent service) and the bow thruster tunnel is a help for maneuvers port. owner tells us that this boat sails at 18 knots at 3400 rpm and consumes only 23L / hour for both engines.

Boat available immediately.
