Divers

Comments : Epoxy and fiberglass construction catamaran. Very light for a 10.6 m catamaran.

The sail drive seals of the engines were changed in September 2019.

The running rigging was changed in 2008, with the standing rigging in 2010. The genoa furling system is from 2015. The wind turbine and solar panels (470 watts) are from 2019. New fresh water circuit. Freshwater dock inlet.

The sails are from 2018, like new.

More photos on request.
