TV :Yes
Sat tv antenna :No

Miscellaneous

Comments :Very nice motorboat livable, prestige unit and fast, sleeps 6, 16 people in navigation, well maintained, only 2 owners.

never rented, stored dry 11 months on 12 under shed in shipyard in Corsica to go out 1 month in the year with the former owner. Only 666 hours for Volvo D12 675CV engines and 670 hours for the 13KW ONAN group, bow thruster, swim platform, luxurious interior living space of a very large width with very high barot height of 1.98m, 6 sleeps, outdoor living space of a very large width with very large sofa, capacity 16 people, coffee table, kitchen area and refrigerator.

Since October 2018, moored on a river in the center of France for second home and river exit. Nothing to do, can navigate immediately.

Since its purchase by the 2nd owner in October 2018, he has perfected the interiors and changed the TV, the plate vitro, the whole freezer-refrigerator, the converter 24V / 220V. A hood for cooking was added and all the bulbs were changed to Led. On the engine shim side, the entire battery bank, the 3 battery chargers and the rainbow tubes have been changed. The last engine overhaul was carried out in May 2019 (Automatic oil change system). Featured now established in interior water. Boat very rare in Europe, a very beautiful finish and extremely solid by a construction of the shipyard CRUISERS YACHTS established in Wisconsin since 1904 and still in activity.
