Technical Details

The Sealine C39 is an elegant and high-performance cruising boat, designed to offer comfort and reliability to sailing enthusiasts. This 11.98-meter yacht is ideal for family outings or get-togethers with friends, thanks to its spacious and well-thought-out living spaces.

Main characteristics:

- Overall length: 11.98 meters -
- Beam: 3.88 meters -
- Draft: 1.05 meters -
- Displacement: 10,500 kg -
- Freshwater tank: 400 liters -
- Fuel tank: 600 liters -

Engine: The Sealine C39 is generally equipped with powerful diesel engines, offering a comfortable cruising speed and good autonomy. Engine options include reputable brands like Volvo Penta or Cummins, with varying powers to meet different needs.

Interior layout: The interior of the Sealine C39 is designed to maximize comfort and living space. It features two double cabins, including a master cabin with a double bed and a private bathroom. The second cabin can be configured as a double bed or twin beds. The salon is spacious and bright, with a large dining table and a comfortable seating area.

Exterior layout: The cockpit is spacious and well-protected, offering an ideal space for outdoor meals and relaxation. The flybridge is equipped with seats and a table, allowing you to fully enjoy the breathtaking views. The boat is also equipped with a rear swim platform, facilitating access to the water.

Electronics and equipment: The Sealine C39 comes with a complete range of electronic equipment, including a GPS, sonar, autopilot, and VHF. Additional options such as a radar and a sounder system can be added for even safer and more enjoyable navigation.

The Sealine C39 is an ideal choice for those looking for a versatile cruising boat, offering both performance and comfort. Whether for day trips or longer journeys, this yacht will meet all your expectations.
