## Technical Details

The Gallart 15M is a magnificent 15-meter yacht, designed by the builder Gallart, known for its elegant and high-performance boats. This model is ideal for those seeking a perfect balance between comfort, performance, and aesthetics.

- Overall length: 15 meters -
- Width: 4.5 meters -
- Draft: 2.5 meters -
- Displacement: 30 tons -
- Construction material: Fiberglass with polyester hull -
- Power: 2 diesel engines of 450 horsepower each, allowing a cruising speed of 25 knots and a maximum speed of 30 knots -
- Fuel tanks: Capacity of 2000 liters, providing comfortable navigation autonomy -
- Freshwater tanks: Capacity of 800 liters, ensuring sufficient water autonomy for extended trips -
- Interior layout: 3 cabins with double beds, a bathroom with shower, and a spacious lounge with equipped kitchen -
- Navigation electronics: GPS, sonar, radar, VHF, and autopilot system -
- Safety equipment: Fire extinguishers, life jackets, life rafts, and smoke detection system -
- Leisure equipment: CD/DVD player, television, and sound system -

The Gallart 15M is an ideal choice for sailing enthusiasts who seek a boat that is both high-performance and comfortable. Its robust construction and modern equipment make it a reliable companion for sea voyages, whether for family outings or longer expeditions.
