Technical Details

Nordship 29 - A versatile and high-performance cruising boat

The Nordship 29 is a cruising sailboat designed by the Bachs Badevaerft shipyard, renowned for its robust and elegant constructions. This 29-foot boat is ideal for coastal sailing and family outings, offering a good balance between comfort and performance.

Main characteristics:

- Overall length: 8.84 meters -

- Hull length: 8.53 meters -

- Beam: 2.85 meters -

- Draft: 1.60 meters -

- Displacement: Approximately 4,500 kg -

- Sail area: Approximately 45 m² -

- Builder: Bachs Badevaerft -

- Architect: Nordship Design -

- Year of construction: 1980s -

Technical characteristics:

- Construction material: Fiberglass-reinforced polyester -

- Keel: Long lead keel -

- Engine: Generally a 10 to 15 HP inboard diesel engine -

- Freshwater tank: Approximately 100 liters -

- Fuel tank: Approximately 50 liters -

- Sleeping capacity: 4 to 6 people (depending on the layout) -

Key strengths:

- Stability and safety: Thanks to its long keel, the Nordship 29 offers great stability and good seaworthiness. -

- Onboard comfort: The interior is spacious and well-equipped, with modern amenities for comfortable sailing. -

- Performance: With a well-dimensioned sail area, this sailboat is both fast and maneuverable. -

The Nordship 29 is an ideal choice for sailing enthusiasts looking for a reliable, high-performance, and comfortable boat for family or friends outings.
