Comments : First handed.

New price.

The MERIDIAN 391 is a very comfortable and very spacious American-built cruiser.

The Flybridge is one of the strong points of this model with a beautiful surface for a unit of less than 13 m. It has a full cockpit, aft saloon with a table and a double front seat next to the cockpit.

Regarding the top-of-the-range layout plan of the boat, we will appreciate the materials and the layout of the interior deck plan opening onto a large, very bright saloon, a lower galley and an ultra-equipped cockpit with its autopilot, GPS plotter ...

In the Meridian 391, the owner's suite is located at the foredeck, and the guest cabin is located on the starboard side.

Complete maintenance of the boat in July 2023:

>Engine overhaul and change of cable glands.

>Change of valves and through-hulls.

>Overhaul of the generating set.

>New batteries.

>New wiper motors.

>Fairing, antifouling and change of anodes.

More details, invoices and visit on request.
