Divers

Comments : A true race-cruise unit.
With its ultralight displacement and its equipment provided, it is a boat that can take you everywhere, and at high speed.

Having benefited from a complete refit (in/ext) in 2017, it has state-of-the-art electrical equipment, a high-performance wardrobe and a teak deck in excellent condition. Only the hull paint, otherwise superb, has blistered in a few very localized places.
