

Main datas

Builder : Jeanneau

Year : 2020

Length : 10,11

Draft minimum : 1,95

Hull : Monohull

Area : France Atlantic Rochelle

Berth details : Dry port

Flag : France

Subtype :

Architect : Andrieu verdier

Material : GRP

Beam : 3,40

keel : Fixed Keel

Life Raft : Yes

Mooring : Yes

Leasing in progress : Yes

Engines

Model : 2YM15

Montage : In Board (IB)

Power Unit. (CV) : 14

Hours : 50

Fuel capacity : 50

Brand : YANMAR

Fuel : Diesel

Engine(s) : 1

Owner's Comments : Foldable two -length propeller

Drive : Saildrive

Facilities

Sailor Cabin : 0	Double Cabin : 2
WC : Sailor	Head : 1
Helm : No	Berth : 6
	Flybridge : No

Electronics

Radar details :	Radar : No
Pilot details : Garmin (Garmin Marine Reactor 40 sail)	Autopilot : Yes
Sounder details : GARMIN	Sounder : Yes
GPS details : GARMIN GPS MAP 8416 (integrated WiFi, NMEA 183/2000, HD Vision card).	GPS : Yes
Plotter details : GARMIN GPS MAP 8416 (integrated WiFi, NMEA 183/2000, HD Vision card).	Chartplotter : Yes
Converter 12/220 : No	VHF : Yes
Watermaker details :	Watermaker : No

Bridge equipment

Tender : No	Flaps : No
Details :	Tender Engine : No

Appliances

Freezer : No

Microwaves : No

Electric stove : No

Heating details :

Dishwasher : No

TV : No

IceMaker : No

Oven : No

Gas stove : Yes

Heater : No

Washing machine : No

TV antenna : No

SAT-TV : No

Owner's Comments

His owner tells us: Designed by the duo Andrieu and Verdier, and built entirely with infusion, the Sun Fast 3300 benefits from exceptional strength and rigidity, with a significantly reduced weight. As a result, it not only offers excellent absolute performance but also benefits from an advantage under the IRC handicap rules, notably thanks to its simple keel without a bulb and its reasonable sail area. On this racer, ergonomics are at the service of efficiency: spacious cockpit to facilitate movement, adjustment systems brought to the helm for solo passages. 5% faster than the 3200 version, the Sun Fast 3300 remains as stable and balanced on technical courses. Its hull was specially designed to increase its performance on reaching angles. This 2020 model, rated 0.30, won the 2022 UNCL Atlantic Channel championship in crewed format and had to withdraw from the Transquadra due to the health of its Skipper/Owner. Its specific inventory guarantees superior performance compared to other SUN FAST 3300s in its category (Special preparation of the hull before launch, mainsail in ILX lighter than carbon sail, 3 x symmetrical spinnakers for better speed on reaching, code 5 of 60 m2 on furler, Karver 3-speed winches, combined GPS tracker Garmin large screen GPSMap 8416 on articulated arm, integrated WiFi and Nmea 183/2000, with solar panel for permanent charging...). Offshore rigging, Carbon AG Mast, stay tension sensor, 2 x mainsails including 1 in ILEX, J1, J2, J3, ORC, light spinnaker, medium spinnaker, heavy spinnaker, storm jib, autopilot, Garmin navigation center, VHF RT 1050, Garmin 800 Class B/SOTDMA autonomous AIS transceiver, marine audio pack FUSION, ST Power 130 Amp charger regulator, dockside inlet with compact HF YPower 110/230 VAc/12 VDC charger 25 A/H, Cristec type 35 battery manager, Black-Contact 55Wc solar panel. Boat winterized on land. Re-launching April 2025 for participation in SPI OUEST FRANCE. Available summer 2025. Detailed inventory and visit upon request.

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.

Owners may make errors or changes without notifying us. This information is not contractual and does not bind XBOAT in any way. It cannot be opposed by a visitor or a buyer.

ATTENTION
 Si ce bateau est équipé d'une hélice à pas fixe, en navigation sous voiles au delà d'une vitesse de 8 nœuds il est impératif de laisser la commande d'inverseur au point neutre.

CAUTION
 If this boat is equipped with a fix blades propeller, when sailing with a sailing speed over 8 knots it is essential to have the gear throttle on the neutral position.
