Head : 1

Berth : 6

Flybridge : Yes

Technical Details

The Galeon 330 Fly is an elegant and high-performance boat, designed to offer an exceptional sailing experience. This model is perfect for sailing enthusiasts seeking a balance between comfort and performance.

Main Features:

- Overall Length: 10.20 meters -
- Width: 3.35 meters -
- Draft: 0.90 meters -
- Displacement: 6,500 kg -
- Fuel Tank Capacity: 500 liters -
- Fresh Water Tank Capacity: 200 liters -

Engine:

The Galeon 330 Fly is typically equipped with Volvo Penta D4-225 or D4-260 engines, providing power ranging from 225 to 260 horsepower. These engines are renowned for their reliability and energy efficiency, ensuring smooth and economical navigation.

Interior Layout:

The interior of the Galeon 330 Fly is designed for maximum comfort. It features two cabins, each equipped with comfortable beds and clever storage solutions. The kitchen is well-equipped with a sink, a refrigerator, and a spacious countertop. The salon is bright and spacious, with large windows offering a stunning view of the outside.

Exterior Layout:

The deck of the Galeon 330 Fly is designed for outdoor leisure. It features a spacious cockpit with comfortable seating and a dining table, ideal for outdoor meals. The flybridge offers a panoramic view and is equipped with seats to fully enjoy sailing days.

Electronics and Navigation:

The Galeon 330 Fly is equipped with modern navigation systems, including a GPS, sonar, and radar, for safe and precise navigation. The onboard instruments are of high quality, providing clear and reliable information on speed, depth, and other essential parameters.

Safety:

Safety is a priority on board the Galeon 330 Fly. The boat is equipped with numerous safety devices, including fire extinguishers, life jackets, and a smoke detection system. The hull is robust and designed to withstand the most challenging marine conditions.

In summary, the Galeon 330 Fly is a versatile and comfortable boat, ideal for family outings or gatherings with friends. Its advanced technical features and carefully designed layout make it a preferred choice for discerning sailors.
