## Technical Details

### Prout Snowgoose 37 - A Robust and Versatile Cruiser

The Prout Snowgoose 37 is a cruising catamaran designed by the British yard Prout Catamarans, known for its high-performance and comfortable models. Launched in the 1980s, this sailboat offers an excellent balance between livability, maneuverability, and speed, making it a popular choice for sailors seeking a versatile boat, whether for coastal cruising or long offshore passages.

With its wide and flat hull, powerful rigging, and functional interior layout, the Snowgoose 37 is appreciated for its stability and generous space for a family or a crew of 4 to 6 people.
