Owner's Comments

Hanse 315 in excellent condition with very little use. Very good value for money. Awarded European Yacht of the Year upon its launch, the Hanse 315 embodies the excellence of a sailboat. With its perfect sailing characteristics and handling, this 31-foot entry-level model is easy to manoeuvre in all conditions. Definitely worth a visit. VAT paid with proof of payment to a CEE country. 2 sets of new sails. Engine overhaul, antifouling, new sprayhood, portable generator, air conditioning, new black water pump, new inflatable dinghy and new HB engine, new RAYMARINE autopilot, all done in July 2024.
