Owner's Comments

Trimaran of great reputation, this NEEL 43 has been maintained by its owner to offer both performance and aesthetics. Based in Florida, it will allow you to easily reach the Caribbean, or continue to enjoy the turquoise waters of Florida. It is equipped with solar panels, a converter, a watermaker, an electric winch, electric davits, and a bimini at the helm. Its basic electronics and inventory have been upgraded. Owner's cabin with a dedicated bathroom and direct access to the saloon. Fresh water 500L + watermaker + black water tank. Electric winch for the mainsail and electric line driver. Navigation suite RAYMARINE + RAYMARINE autopilot + AIS (transceiver) + NMEA 2000 + audio FUSION 280W. VICTRON multiplus compact 12 220V 2000W 80Ah converter. LED lighting (interior, exterior). The NEEL 43 is a fast and safe trimaran, easily maneuverable with a reduced crew. Its passage through the sea, its performance, and its comfort are remarkable. Inside, the good distribution of volumes, fluid circulation, and great luminosity make it a unique living space. It can accommodate up to 10 people with a saloon and a cockpit that communicate very easily. The helm station is ergonomic and features a triple seat, accessible from the cockpit or the deck. The Cockloot® effect is achieved thanks to the wide opening between the cockpit and the saloon. More details and visit upon request.
