Owner's Comments

The key words to describe the Sense 55: Generous, Peaceful, Seductive, Marine, Refined.

Generous: sharing wonderful moments without counting... The serenity that emerges on board the Sense 55 proves conducive to friendship and happiness. Exteriors and interiors are offered in a design, dimensions and materials that delight life at sea.

Peaceful: reconnect with inner peace, in absolute privacy. The Sense 55 is a sailboat of well-being. Organized from stern to bow, its three living spaces allow you to combine intimacy and pleasure of living together in a balance close to perfection.

Seductive: experiencing pride in beautiful things. Both sober and stylish, the Sense 55 provides intense satisfaction to the eye. Pleasure for the eye which contemplates the object, pleasure in the spectacle of the sea which is offered in panoramic view.

Sailor: abandon yourself with confidence to navigation. The Sense 55 is a stiff and fast boat. Its hull lists little and its perfect balance under sail are the guarantees of a speed of movement surprising in unparalleled navigation comfort. The regrouping at the helm of all the maneuvers provide considerable ease for sailing with a short crew.

Refined: establishing elegance as an art of living. Spacious and flooded with light, the interiors of the Sense 55 belong to the world of SuperYachts. The owner's cabin offers exceptional services: shower room, private office, numerous and functional storage spaces, spacious and unobstructed floor space. Guests are welcomed in two double cabins arranged as private suites.
