Owner's Comments

Emblematic cruising sailboat in fiberglass renowned for its robustness, comfort, and nautical qualities. Designed by Nelson Yacht Design, this model is favored by sailors seeking a reliable and spacious boat for long-distance cruises. Its status as a classic sailboat makes it a timeless vessel, both performance-oriented and elegant. This boat requires restoration work including engine replacement, but its base remains sound, making it a realistic project that can, at a reasonable cost, restore a very beautiful classic spacious cruiser, safe and comfortable.

Boat visible in Alicante. Several videos available on request.
