Boat Description

I am proud to present my **Océanis 461 Clipper**, designed by the shipyard **BENETEAU**. This boat features a design that offers **excellent sea performance** while remaining easy to handle. It is also designed to provide **great onboard comfort**.

Interior Layout

This version features a **spacious salon** with a **well-equipped galley** (refrigerator 2020) in a 2-cabin and 2-head layout, making it ideal for **family cruises** or with friends. The interior layout is designed to maximize space and offer great livability.

Navigational Performance

This model is renowned for its **excellent navigational performance**, thanks to a well-designed hull and proper balance. It performs well under sail while offering a pleasant navigation experience. Equipped with a set of **high-quality** and recent sails (2020), all standing rigging was replaced in 2020. The yacht's design allows for good maneuverability, even solo or with a reduced crew.

Construction and Safety

The construction is **robust** and of high quality, ensuring good durability and increased safety at sea. All seacocks and hull penetrations were replaced in 2020. Its powerful **YANMAR 85 HP** engine provides greater safety and can withstand the varied conditions encountered at sea. Shaft-driven, with just 2000 hours, a 200-liter fuel capacity, it underwent a complete overhaul by a professional in 2020.

Capacity and Equipment

With large-capacity tanks for water and fuel, as well as good storage capacity, this **Océanis 461 Clipper** allows for extended cruises without frequent refueling. It also features 2 solar panels on a davit.

Electronics and Deck Equipment

- Radar
- AIS

- GPS tracker
- Revised autopilot
- Revised Volvo bow thruster
- Electric windlass
- Battery bank replaced in 2020

Why This Océanis 461 Clipper is a Great Buy

This **Océanis 461 Clipper** is a well-equipped owner's yacht with regular maintenance, ready to set sail. It is appreciated for its comfort, maritime performance, and build quality, making it an excellent choice for cruising enthusiasts. Additionally, a berth is available, greatly simplifying logistics for the new owner. ``
