Owner's Comments

Chassiron Junior from the Edouard RICHARD shipyards in Marennes Oléron, fully restored, numerous new equipments. Engine refit, new sails, electricity redone, relaunched in July 2024 after a 3-year restoration project. The 2 batteries of 100 Ah are new from the summer of 2024. Built in polyester, the Chassiron Junior evokes the silhouette of Classic Yachts. With its teak interior and iroko deck, this boat has lost none of its charm. Visible afloat. Detailed inventory, invoices, and visit upon request.
