Owner's Comments

The owner informs us: "My Bahia 46 presented is one of the last Bahia 46s to come out of the Fountaine Pajot shipyards. Specially prepared and cared for for one of the directors of the Shipyard, this Bahia 46 was purchased by the current owner in 2009. This boat comes out of a complete refit in 2024 at a shipyard. The following work has been carried out: interior/exterior painting and polishing, reinforcement of the fins and rudders, replacement of the rudder bearings, preventive epoxy osmosis treatment, replacement of 6 valves as a precaution ... A lot of money has been invested in this very complete refit."

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.
