## Owner's Comments

### Oyster 435

I am offering for sale my **Oyster 435**, a **bluewater cruising ketch** with a **center cockpit** and **flybridge**, ideal for **offshore navigation**. This boat is equipped with a **long keel** that ensures excellent stability.

The **West Epoxy System** treatment was applied below the waterline in the **USA in 1996**, providing optimal protection against osmosis. The **teak decks** were replaced in **2000**, offering a fresh look and increased durability.

The vessel underwent a complete refit in **Thailand** in **January/February 2005**. The work included replacing the **Plexiglas** on the opening panels and replacing the plumbing. The **aft head** was refitted, and teak panels were replaced where the opening panels had caused discoloration.

## Technical Specifications

- **Builder:** Oyster Landamores
- **Year:** 1983
- **Length:** 13.23 m
- **Beam:** 4.18 m
