Washing machine : Yes
TV antenna : Yes
SAT-TV : Yes

Owner's Comments

Knysna 500SE Catamaran - Luxury and Performance

Description

I am selling my **Knysna 500SE catamaran** from **2022**. Discover unparalleled luxury with the **Knysna 500SE**, a masterpiece from the renowned **Knysna Yacht Company**, harmoniously combining performance, style, and comfort for the discerning sailor. This **sailing catamaran** is designed for couples dreaming of living aboard and exploring the world's oceans with ease and confidence.

Construction and Origin

Built in **Knysna, South Africa**, by a company rich in heritage in custom yacht construction, the **Knysna Yacht Company**, founded in **2002** by Kevin Fouché, has always prioritized quality over quantity. Their focus on limited production ensures that each yacht is a meticulously built high-performance vessel. The **Knysna 500SE** - or « Special Edition » - embodies this philosophy, offering a sporty and elegant profile with exceptional finishes.

Design and Performance

It is a true evolution from its predecessors, benefiting from improved design and increased functionality for the ultimate offshore cruising experience. With its clean lines and exceptional visibility from the helm, the **500SE** offers truly easy handling with a reduced crew. The design of its hull provides a smooth and pleasant motion at sea, thanks to a long waterline and generous beam for superior stability.

Equipment and Features

On deck, the halyards and reefing lines are conveniently led back to the cockpit for effortless control. The slightly inclined transom steps facilitate the boarding of the dinghy, with a custom lifting system to secure your tender. It excels in all conditions, equipped with a **fully battened mainsail** on a BattCar system and an **electric genoa** on a furler. For light or breezy sailing, a **screecher** on a Karver top-down furler and an **asymmetric spinnaker** offer impressive speed.

Engines and Engine Rooms

- **Fuel tank construction material** : VE 671 resin & fiberglass
- **Fuel filters** : 2 fuel filters with separators (Racor FG500)
- **Firewall** : CE approved
- **Total number of batteries** : 8
- **Service batteries** : 6 x Lithium-Ion with 7" touchscreen battery management system (Charging time from 10% to 100% is +/- 30 min)
- **Service battery amperage** : 2 x 24V 230 Ah & 2 x (2x24V 230 Ah) for 48V service batteries (Total in 24V is 1380 Ah)
- **Propeller type** : Brunton with feathering blades and cutless bearings

Electronics

- **Satellite phone** : Included
- **Radar** : Garmin GMR 24xHD ghost radar - including mast-mounted radar support
- **Portable GPS** : Includes a portable GPS and an Irridium Go
- **Chartplotter** : GPSMap 8416xsv 16 inches (Garmin AIS 800 + AIS antenna GA38 GPS)
- **Depth sounder** : Garmin GMI 20 network with 1 Airmar P319 depth transducer (50/200 kHz)
- **Log** : Garmin GMI 20 network
- **Wind instruments** : Garmin gWind network pack (includes 1 tri-data transducer, 1 GMI20 navigation instrument)</li
