## Owner's Comments

### Lagoon 630 Motor Yacht in owner's version with 5 double cabins, built in 2016: an opportunity not to be missed!

The motor catamaran has become a popular choice for comfortable, spacious, and safe navigation. The volumes are incredible, the size remains human-scale, and the deck layout is generous.

The LAGOON 630MY is certainly one of the leaders in the market, and this 2016-built unit is an opportunity not to be missed: in the owner's version with 5 double cabins, it offers a beautiful owner's suite aft port side, 3 double VIP cabins, and one with 2 bunk beds amidships starboard. The salon is bright, thanks to its light woodwork, and is very functional with its 2 telescopic tables; the kitchen faces it, separated by a large bar, promising convivial moments.

The foredeck with its 2 large sunbathing areas, teak latticed decking, tender lift, fully enclosed flybridge, true areas dedicated to relaxation and leisure. In terms of equipment, it has everything: air conditioning, generator, desalinator, large fridges,...

After very successful charter seasons in Greece, the owners are considering replacing it with a larger unit.
