

## Main datas

Builder : Alubat

Year : 1992

Length : 13,00

Draft minimum : 0,80

Hull : Monohull

Area : France Brittany Northern

Berth details :

Flag : France

Subtype :

Architect : Briand philippe

Material : Aluminum

Beam : 4,30

keel : Centerboard integral

Life Raft : Yes

Mooring : No

Leasing in progress : No

## Engines

Model : 4JH2E

Montage : In Board (IB)

Power Unit. (CV) : 48

Hours : 2454

Fuel capacity : 260

Brand : YANMAR

Fuel : Diesel

Engine(s) : 1

Owner's Comments : YANMARmodel: 4JH2Epower: 48 HPassembly: direct shaft linecircuit 12 bipolar number of operating hours: 2454 hours (upgradable)3-blade folding propeller MAX PROPfuel capacity: 260 liters on 2 diesel tanksExchange, alternator and engine mounts (silent block) replaced in 2023

## Facilities

Sailor Cabin : 0

WC : Sailor

Helm : No

Double Cabin : 2

Head : 2

Berth : 6

Flybridge : No

---

## Electronics

Radar details : FURUNO M 1715 radar on rear gantry

Pilot details : RAYMARINE autopilot RAYMARINE pilot repeater on steering wheel console

Sounder details : RAYMARINE depth sounder

GPS details : GPS & Chartplotter AXIOM RAYMARINE touchscreen with interior and exterior support

Plotter details : GPS & Chartplotter AXIOM RAYMARINE touchscreen with interior and exterior support

Converter 12/220 : No

Radar : Yes

Autopilot : Yes

Sounder : Yes

GPS : Yes

Chartplotter : Yes

VHF : Yes

Watermaker : No

---

## Bridge equipment

Hydraulic Gangway : No

Bath platform : Yes

Winter cover : No

Sprayhood : Yes

Teak cockpit : Yes

Gangway : No

Davits : Yes

Electric windlass : Yes

Cockpit awning : No

Teak deck : Yes

Speedo : Yes  
GPS : Yes  
AIS : Yes  
VHF : Yes  
Compass : Yes  
Chartplotter : Yes  
Autopilot : Yes  
Radar : Yes  
Watermaker : No  
Water : Yes  
Stern Thruster : No  
Bow Thruster : Yes  
Marine Gen. : Yes  
AC : No  
Hot water : Yes  
Flaps : No  
Tender Engine : No  
Yes 2023 - up to date for navigation -

---

## Major equipment

Stern thruster : No

Group and thruster details : - retractable bow thruster- FISHER PANDA generator - 3.5KW (located in the large rear trunk)

Charger and AC details : ENERGY / ELECTRICITY- complete electrical panel at the chart table- Galvanic Isolator GI-32

SAFETY EUROPE (electrical insulation of the ship)- 2 solar panels on gantry- 1 marine wind turbine on gantry D-400 ATMB- MPPT charge controller- Fisher PANDA generator set - 3.5 KW

Details : 3-seater inflatable tender and outboard motor THE BOAT IS ENERGY AUTONOMOUS

Bow Thruster : Yes

Marine Gen. : Yes

AC : No

Hot water : Yes

Flaps : No

Tender Engine : No

# Appliances

Freezer : No

Microwaves : No

Electric stove : No

Heating details : - EBERSPACHER forced air heating (connected to the large diesel tank)

Dishwasher : No

TV : No

IceMaker : No

Oven : Yes

Gas stove : Yes

Heater : Yes

Washing machine : No

TV antenna : No

SAT-TV : No

---

## Owner's Comments

Solid, seaworthy, and safe, this superb **OVNI 43** by **Alubat** is a full-keel aluminium lifting-keel yacht designed for long-distance cruising. Renowned for its robustness and versatility, it allows exploration of both coastal anchorages and the most remote areas thanks to its lifting keel. **ALUBAT OVNI 43 Full-keel aluminium lifting-keel yacht 2-CABIN VERSION (with large aft starboard locker)** Year of construction: 1992 Overall length: 13.00 m Hull length: 12.20 m Waterline length: 10.30 m Beam / max width: 4.30 m Min/max draft: 0.80 m / 2.50 m Air draft: 16.90 m Water capacity: 535 litres Category 1 - max 10/12 persons **LAYOUT / COMFORT:** - 2-cabin version - Saloon area convertible into a double berth - Red fabric in good condition - 6 possible berths - Headroom of 1.90 m throughout the boat - 1 spacious forward cabin with a large bed - Wardrobe, dressing table, ensuite wet room with shower cubicle and sink - 1 large aft portside cabin - 1 wet room with sink, marine toilet with black water tank, wardrobe - Galley in L-shaped facing layout to starboard - Fridge with 100-litre cold unit - Numerous storage spaces - Round double stainless steel sink - Hot/cold pressurized water with mixer tap - Water capacity: 535 litres - Seawater pump - Gimballed **ENO** gas cooker with oven - gas burners - **EBERSPACHER** forced-air heating - Navigation station with chart table, complete electrical panel - Elm woodwork in good condition - Floor has been varnished (some signs of wear and age) - Lining has been fully redone - Portlights are watertight and not crazed **ENGINE:** **YANMAR** Model: 4JH2E Power: 48 HP Installation: Direct shaft drive 12V bipolar circuit Engine hours: 2454 (current) 3-blade folding propeller **MAX PROP** Fuel capacity: 260 litres across 2 diesel tanks Heat exchanger, alternator, and engine mounts (silent blocks) replaced in 2023 **POWER / ELECTRICS:** - The boat is energy self-sufficient and prepared for long-distance cruising - Battery charger - 4 AGM batteries (replaced in 2023) - **VICTRON Energy** charge monitor and controller (at chart table) - Complete electrical panel at the chart table - **SAMLEX EUROPE** GI-32 Galvanic Isolator (electrical isolation for the vessel) - 2 solar panels on arch - 1 marine wind turbine on arch **D-400 ATMB** - MPPT charge controller - **Fisher PANDA** 3.5 KW generator **THE BOAT IS ENERGY SELF-SUFFICIENT** **NAVIGATION / ELECTRONICS:** - **FURUNO M 1715** radar on aft arch - **RAYMARINE** autopilot - **RAYMARINE** autopilot repeater at wheel pedestal - **RAYMARINE AXIOM** touchscreen GPS & chartplotter with interior and exterior mounts - Fixed VHF with DSC - **NAVICOM RT 850 AIS** - Class B AIS - **RAYMARINE AIS 700** - Portable VHF (without DSC) - **OCEAN SIGNAL E 100 GPS** EPIRB - 2 x **SIMY MYMOB** AIS DSC MOB (pro) - Navigation lights - Anchor lights **SAILS AND RIGGING:** - Thick Dacron full-batten mainsail (good working condition - approx. 10 years old) - Mainsail on **LEWMAR** ball-bearing track - Mainsail cover - Lazy bag - Rigid boom vang - Genoa on furler (good working condition - approx. 10 years old) - **PROFURL C-420** genoa furler (replaced in 2023) - Staysail on removable stay (new sail from 2023) - Spinnaker (good working condition) - Companionway dodger - Cockpit bimini - Cockpit table - **ISOMAT** mast with 2 sets of spreaders - 2 backstays - Mast steps - 2 stainless steel mast pulpits - 3 mast winches - 4 cockpit winches: **LEWMAR 54 ST x2** and **LEWMAR 40 ST x2** - **STANDING RIGGING REPLACED IN 2023** (all stainless steel cables replaced in 2023 - up to date for navigation - insured) - Running rigging in good condition - halyards and sheets (possibly 1 or 2 halyards to replace) **EQUIPMENT:** - Retractable bow thruster - **Fisher PANDA** 3.5 KW generator (located in the large aft locker) - Solar panels - Wind turbine - **LOFRANS PROJECT** electric windlass with 10mm chain (approx. 50m - 2023) - Wired control in forward cabin + wireless windlass remote - 25 kg **ROCNA** anchor at bow - Secondary ground tackle in large aft locker: plough anchor + 10mm chain (recent) - Mast chair on stainless steel aft pulpit - Safety equipment up to date for navigation - 2023 liferaft (up to date) **HULL:** - Underwater sections of the hull were sandblasted in 2023 - A dent on the mid-starboard side - Hull is not insulated **SUMMARY:** **ADVANTAGES OF THIS SAILBOAT** - This **OVNI 43** is generally ready to sail and technically operational! - The boat has already been prepared for long-distance cruising in 2020 and 2023 - Energy

self-sufficient with up-to-date equipment! - Standing rigging replaced 2 years ago! - Warm and comfortable interior - elm woodwork - varnished flooring - All lining has been redone in 2023 - The lifting keel system is functional and was serviced in 2023! - There is a plexiglass inspection hatch to view the keel's retraction - The rudder and rudder system have been fully replaced - The new owner will only need to carry out standard preparations, checks, and minor updates before departure. **\*\*IDEAL FOR SOMEONE WHO WANTS TO LEAVE QUICKLY\*\*** **\*\*DISADVANTAGES OF THIS SAILBOAT\*\*** - A dent on the mid-starboard side at and below the waterline - Teak deck in average condition - Some painting required, as well as sanding and varnishing the companionway Recent photos Additional information via the contact form with your details Viewings by appointment only. We strongly advise all buyers of used boats to be accompanied by a marine surveyor of their choice and at their expense, to be fully informed about the general condition of the vessel before proceeding with final payment to the seller.
