Owner's Comments

AQUA CRAFT 12.50 I acquired this boat, certified for inland waters and coastal seas, for a program exclusively focused on canals. We have had wonderful moments on board. The interior is in exceptional condition, and the exterior is no less impressive. A recent expert assessment, including a hull survey, will confirm all of this. Extremely bright, with appreciable comfort features, this boat will allow you to navigate in complete serenity thanks to its recent powertrain. Aqua Star 12.50
