## Owner's Comments

The Privilège 495 remains one of the most sought-after cruising catamarans on the pre-owned market. Built in 2007, this Owner's Version with 4 cabins has been impeccably maintained by its sole owner. Elegance, robustness, and refinement define this offshore model, which stands out for its build quality, sea comfort, and the sophistication of its interior fittings, true to the Privilège shipyard's craftsmanship. This Owner's Version features a central cabin accessible from the starboard bow, a port-side cabin with two bunk beds, and two double guest cabins located aft. The galley, installed in the portside passageway, is bright and open to the saloon, creating a convivial and functional space. The rounded furniture, relaxation area, chart table positioned at the entrance, and well-protected helm station in the cockpit all reinforce this catamaran's voyaging vocation. Externally, the two stainless steel davits support the tender, while the bimini effectively shields the teak-laid cockpit. The sail plan is complemented by a Code 0 and a gennaker, offering versatility and performance on downwind points of sail. For comfort, the air conditioning, independent heating, and solar panels reflect a comprehensive and well-thought-out setup designed for autonomy and long passages. Now regarded as a sought-after "vintage" model, the Privilège 495 retains excellent seakeeping abilities, combining stability, safety, and comfort over long distances. A reliable choice for sailors seeking an elegant, robust, and timeless catamaran.
