Owner's Comments

For Sale: Used Yarding 42 Flybridge with Marina Berth

This **Yarding 42 Flybridge** from the **Yarding Yachts** shipyard, in collaboration with **Ferretti** and **Jeanneau**, is currently for sale.

Engines and Performance

- **Engines** changed in **June 2009**
- 2x450hp **New IVECO** common rail
- Reference: N67ENTH4510
- **20% reduction in fuel consumption**
- Invoice available

Technical Specifications

- Manufactured jointly by **Yarding** and **Jeanneau**
- Less than **4 meters wide**
- Less than **13 meters long**
- **Three double cabins**
- Fuel tank bottom recovery system
- Dual filtration system
- **1900-liter diesel tanks**

Additional Equipment

- **Generator 6KVA**
- **80 A** battery charger
- **Bow thruster**
- **450-liter stainless steel water tank**
- Additional 200-liter flexible tank
- Stern platform with davit system for tender lifting

Marina Berth and Price

- Marina berth available in a pleasant port in the **Balearic Islands**
- Recent price reduction

History of Yarding Yachts

The **Yarding Yachts** were created by **Jeanneau** and the Italian **Ferretti Craft**. This European shipyard, which combined **French production technology** with **Italian design**, no longer exists and was ultimately absorbed by **Jeanneau**.

Why is this Yarding 42 Flybridge interesting to buy?

This **Yarding 42 Flybridge** is particularly interesting to buy for several reasons. Firstly, its **new IVECO common rail engines** offer a significant reduction in fuel consumption, which is economical in the long term. Additionally, its compact size with **three double cabins** makes it ideal for family or friends' trips. The availability of a **marina berth** in the **Balearic Islands** adds valuable convenience for boat owners. Finally, the **recent price reduction** makes this boat even more attractive on the market.

What is the use of this Yarding 42 Flybridge?

The **Yarding 42 Flybridge** is ideal for family or friends' cruises thanks to its **three double cabins** and complete equipment. It is perfect for long-distance travel and sea escapades.

What are the comfort elements of this Yarding 42 Flybridge?

- **Three double cabins** for optimal comfort
- **6KVA generator** for reliable electrical power
- **80 A battery charger** for increased autonomy
- **Bow thruster** for easy maneuverability
- **450-liter stainless steel water tank** plus **200-liter flexible tank** for water autonomy
- Davit system for tender lifting for easy tender transport

What are the cruising and navigation capabilities of this Yarding 42 Flybridge?

- **1900-liter fuel capacity** for long-distance cruising
- **IVECO common rail engines** for reduced consumption and increased performance
- Complete navigation equipment for safe and comfortable navigation
- Marina berth available in the **Balearic Islands** for easy access to the sea
