## Technical Details

The Azimut 36 Fly is an elegant and high-performance boat, designed to offer an exceptional maritime experience. This model from the prestigious Azimut brand is ideal for sailing enthusiasts seeking a perfect balance between comfort and performance.

**Main Features:**

- Overall Length: 11.40 meters -
- Width: 3.50 meters -
- Draft: 0.95 meters -
- Displacement: 9,500 kg -
- Freshwater Tank: 200 liters -
- Fuel Tank: 600 liters -

**Engine:** The Azimut 36 Fly is generally equipped with Volvo Penta D6-370 or D6-440 diesel engines, offering 370 to 440 horsepower. These engines ensure smooth navigation and optimized fuel consumption.

**Interior Layout:** The interior of the boat is designed to offer maximum comfort. The salon is spacious and bright, with large windows offering an unobstructed view of the outside. The kitchen is well-equipped, with clever storage and modern appliances. The main cabin features a comfortable double bed, while the guest cabin offers two single beds.

**Exterior Layout:** The upper deck, or flybridge, is a true open-air living space. It is equipped with benches and seats, perfect for relaxing and enjoying the sun. The aft cockpit is also spacious, with a dining table and comfortable seating, ideal for outdoor meals.

**Electronics and Navigation:** The Azimut 36 Fly is equipped with state-of-the-art navigation systems, including a GPS, sonar, radar, and a VHF communication system. This equipment ensures safe and enjoyable navigation.

**Safety:** The boat is equipped with all necessary safety standards, including life jackets, fire extinguishers, and a smoke detection system. The hull is robust and designed to withstand the most demanding marine conditions.

In summary, the Azimut 36 Fly is a versatile and high-performance boat, perfect for outings with family or friends. Its elegant design and modern equipment make it an ideal choice for sailing enthusiasts.
