Technical Details

The Beneteau Flyer 701 is a versatile and elegant pleasure boat, designed to offer an exceptional maritime experience. This model is particularly appreciated for its maneuverability and comfort, making every outing on the water an unforgettable moment.

Main Features:

- Overall Length: Approximately 7 meters -
- Width: Approximately 2.5 meters -
- Dry Weight: Approximately 1,200 kg -
- Load Capacity: Approximately 600 kg -
- Engine: Generally equipped with an outboard motor of 115 to 150 HP -
- Fuel Tank: Approximately 100 liters -
- Fresh Water Tank: Approximately 30 liters -

Comfort and Equipment:

The Flyer 701 is designed to offer a high level of comfort. It features a spacious cockpit with ergonomic seats and a well-designed dashboard, making navigation easier. The aft cockpit can be transformed into a swim platform to fully enjoy moments of relaxation at sea.

Performance:

Thanks to its semi-rigid hull, the Flyer 701 offers excellent stability and good seaworthiness. It is capable of reaching comfortable cruising speeds and impressive top speeds, while maintaining a reasonable fuel consumption.

Safety:

Safety is a priority for Beneteau. The Flyer 701 is equipped with numerous safety devices, such as seat belts, fire extinguishers, and flotation equipment. The hull is also designed to provide great resistance and good protection against impacts.

Usage:

The Flyer 701 is ideal for family outings or get-togethers with friends. Whether for coastal cruises, fishing trips, or longer excursions, this boat will meet all your expectations. Its ease of handling also makes it an excellent choice for both beginner and experienced navigators.
