Oven : Yes

Heating details :

Heater : No

TV : No

TV antenna : No

SAT-TV : No

IceMaker : No

Oven : Yes

Electric stove : No

SAT-TV : No

Divers

Comments : The Moody 31 MK 1 is a 9.37m cruising sailboat designed by Dixon Yacht Design (United Kingdom) and Angus Primrose (United Kingdom). It was produced by Moody (United Kingdom) between 1983 and 1985. The Biquille version allows a weaker draft and an easy and stable grounding.

This steering wheel version, two cabins, which can accommodate 6 people is in very good condition and ready to sail. All portholes were replaced in 2020, maintenance and in particular the VOLVO 2030 (28hp) engine is carried out with care.

This boat is ideal for sailing far from the port and close to the coves. Easy to handle, it will take you wherever you want. Boat available immediately.
