Head : 4
Berth : 9
Flybridge : Yes

Technical Details

The FAIRLINE 65 SQUADRON is an iconic luxury yacht, designed by the British manufacturer Fairline, renowned for its high-quality boats and timeless elegance. This model embodies the pinnacle of comfort and performance, ideal for sailing enthusiasts seeking a spacious and high-performing boat.

Dimensions and Capacity:

The FAIRLINE 65 SQUADRON measures 20.12 meters in length overall and 5.23 meters in beam. It offers a fuel capacity of 3,000 liters and a freshwater tank capacity of 700 liters, ensuring comfortable autonomy for extended voyages.

Engines and Performance:

Equipped with MAN V12-1360 or MAN V12-1800 engines, this yacht can reach a maximum speed of 30 knots and a cruising speed of 24 knots. The engines are designed to provide reliable power and optimized fuel consumption.

Comfort and Amenities:

The FAIRLINE 65 SQUADRON features four cabins, including a master suite with a private bathroom, offering a luxurious and comfortable living space. The kitchen is fully equipped, and the main salon is spacious, perfect for convivial gatherings.

Equipment and Technologies:

This yacht is equipped with advanced navigation systems, including a GPS, radar, and a VHF communication system. It also features air conditioning, heating, and a generator to ensure maximum comfort on board.

Safety Features:

The FAIRLINE 65 SQUADRON is designed with high safety standards, including smoke and carbon monoxide detection systems, as well as complete rescue equipment.

In summary, the FAIRLINE 65 SQUADRON is a luxury yacht that combines performance, comfort, and safety, making every voyage an unforgettable experience.
