Technical Details

The Grand Banks 42 Classic is an iconic boat designed by the American manufacturer American Marine, renowned for its robustness and comfort at sea. This cruising yacht is particularly appreciated for its performance and timeless design, making it an ideal choice for long-term sailing enthusiasts.

Dimensions and Capacity:

The Grand Banks 42 Classic measures 42 feet (12.8 meters) in length overall, with a beam of 13.2 feet (4 meters) and a draft of 4.2 feet (1.28 meters). It offers a fuel capacity of 300 gallons (1,136 liters) and a freshwater capacity of 100 gallons (379 liters), allowing for extended outings without frequent refueling.

Powerplant:

This boat is generally equipped with diesel engines, often Detroit Diesel 6V92 or 6V71 engines, offering a total power of 400 to 500 horsepower. These engines are known for their reliability and durability, essential for long crossings.

Comfort and Amenities:

Onboard, the Grand Banks 42 Classic offers a spacious and comfortable living space. The main cabin is equipped with double beds, and there is also a forward cabin with bunk beds. The bathroom is well-equipped with a shower and electric toilets. The salon and galley are designed to offer maximum comfort and functionality.

Performance and Handling:

Thanks to its robust fiberglass hull and semi-displacement design, the Grand Banks 42 Classic offers excellent stability and good sea keeping. Its typical cruising speed is around 18 knots, with a maximum speed that can reach 22 knots, depending on conditions and load.

Equipment and Options:

The boat is often equipped with various modern navigation systems, such as GPS, radars, and depth sounders. Additional options like generators, air conditioning systems, and entertainment equipment can be added to enhance onboard comfort and convenience.

In summary, the Grand Banks 42 Classic is a versatile and reliable yacht, perfect for sailing enthusiasts who seek a boat capable of covering long distances while offering optimal comfort and safety.
