## Owner's Comments

Contessa 35 from the Jeremy Rogers shipyard, improved by Michel Malinovsky.

**CUSTOMIZED SPECIFICATIONS.**

the owner tells us: "Very safe boat equipped for offshore sailing alone or in pairs. High manufacturing quality. Mast with 2 levels of spreaders extended by 1.5m, lead keel with 1.5t more than the standard for offshore safety.

A 35 footer with a lead keel heavier than the other CONTESSA 35s (certificate) and an impressive record in regattas with Michel Malinovsky at the helm."There is a Mediterranean club of CONTESSA 32 and 35. This boat is very sought after for the regatta and this one is certainly the best in the Mediterranean. For enthusiasts! Definitely worth it.
