## Owner's Comments

**PRINCESS 360 - Elegance and Performance on the Water** The Princess 360 is an iconic motor yacht, combining refinement, comfort, and performance, perfect for boaters seeking unique marine experiences. Built by the prestigious Princess Yachts shipyard, this 11.60-meter boat offers a luxurious sailing experience, whether for day trips or longer cruises. With a beam of 3.70 meters, the Princess 360 offers a spacious and well-laid-out living area. Its spacious cockpit and ergonomic flybridge allow you to enjoy every moment at sea, whether under sail or at anchor. The elevated helm station provides perfect visibility, ensuring total control of navigation in all conditions. **Reliable and Robust Performance** Beneath its sophisticated appearance, the Princess 360 hides a powerful engine. It is equipped with two Volvo Penta TAMD 63L engines with a total power of 636 HP (2\*318hp) and approximately 1800 hours of operation, allowing for fast and stable cruising speeds. These regularly maintained engines ensure smooth performance and exceptional responsiveness, whether for long crossings or port maneuvers. **A Layout Designed for Comfort** The interior of the Princess 360 is a true sanctuary. This model features two spacious double cabins, comfortably accommodating four people for extended stays on board. The owner's cabin at the bow is particularly well-designed, with a central double bed and clever storage solutions to maximize space. The bright salon offers a perfect relaxation area, with a modular table and comfortable seating, accommodating several guests. The salon upholstery was redone in faux leather in 2018. The galley below the salon is well-equipped with everything you need to prepare meals on board, featuring a refrigerator with a freezer compartment, a microwave oven, and a gas cooktop, making your time at sea enjoyable and practical. The Princess 360 is also equipped with a bathroom with separate showers and an electric toilet, ensuring optimal comfort for guests, whether at anchor or under sail. **Navigation Equipment** The Princess 360 is equipped with all the necessary electronic equipment to ensure safe and precise navigation. It features a GARMIN SVX 12 multifunction GPS integrating the depth sounder, chart plotter, AIS, and radar. A second GARMIN GPS is installed on the flybridge. An autopilot simplifies the management of your cruises. A SIMRAD SHIPMATE RS 5800 VHF ensures clear and reliable communication at sea, and the bow thruster facilitates maneuvers in ports, even in difficult conditions. The cockpit features its own seating and backrest as well as a complete rear enclosure cover and a bimini on the flybridge. Available immediately. The Princess 360 is available now and has been meticulously maintained by its current owner, offering you the opportunity to set sail immediately with a boat in good working condition. Whether you are looking for a yacht for family or friends' cruises, this model will meet all your expectations thanks to its remarkable comfort and performance.
