Technical Details

The Grand Banks 42 Europa is a classic cruising yacht, renowned for its comfort and robustness. Designed for long passages, this boat combines elegance and performance, making it a preferred choice for discerning sailors who value comfort.

Dimensions: The Grand Banks 42 Europa measures 12.80 meters in length overall and 3.96 meters in beam. Its draft of 1.22 meters allows for navigation in shallow waters, offering great versatility.

Engine: Equipped with diesel engines, often Cummins or Yanmar, this yacht offers reliable and economical power. The engines are generally 6-cylinder units developing approximately 210 horsepower each, allowing for a comfortable cruising speed of 10 to 12 knots.

Capacity: The Grand Banks 42 Europa can accommodate up to 8 people in sleeping quarters, thanks to its three cabins and two bathrooms. The interior layout is designed to offer maximum comfort and living space.

Tanks: The fuel tanks have a total capacity of 2,270 liters, while the fresh water tanks can hold up to 908 liters, allowing for extended sea outings without frequent refueling.

Equipment: This yacht is often equipped with modern navigation systems, including GPS, radars, and depth sounders. Comfort equipment, such as air conditioning, heating, and a well-equipped kitchen, are also standard.

Construction: The Grand Banks 42 Europa is built with a fiberglass-reinforced hull, ensuring great durability and resistance to the elements. The superstructure is also made of fiberglass, offering an elegant finish and reduced maintenance.

Performance: With moderate fuel consumption and great range, the Grand Banks 42 Europa is ideal for long voyages. Its stability and comfort at sea make it an ideal choice for family or friends' cruises.
