## Technical Details

The Azimut 50 Fly is an iconic luxury yacht designed by Azimut Yachts, a renowned builder known for its craftsmanship and innovation in the field of pleasure boats. This model stands out for its elegant design and exceptional performance, making it an ideal choice for sailing enthusiasts, whether for family outings or longer voyages.

Main characteristics:

- Length overall: 15.36 meters (50.4 feet) -
- Beam: 4.56 meters (14.96 feet) -
- Draft: 1.20 meters (3.94 feet) -
- Displacement: Approximately 25 tons -
- Fuel capacity: 2,000 liters -
- Fresh water capacity: 600 liters -

Engine: The Azimut 50 Fly is typically equipped with two MAN or Cummins diesel engines, offering a total power of 1,400 to 1,600 horsepower. These engines allow the yacht to reach a comfortable cruising speed of 25 knots and a maximum speed of 30 knots.

Interior layout: The interior of the Azimut 50 Fly is designed to offer maximum comfort. It features three cabins, including a master suite with a private bathroom, as well as two guest cabins. The living room and dining area are spacious and bright, with large windows offering an unbeatable view of the outside.

Exterior layout: The flybridge is a highlight of this model, offering additional living space with an additional helm station, an outdoor lounge, and a barbecue area. The main cockpit is also well-designed, with a dining area and a relaxation space.

Equipment: The Azimut 50 Fly is equipped with numerous modern features, such as an advanced navigation system, state-of-the-art safety equipment, and integrated entertainment systems. It is also possible to add customized options to meet the specific needs of the owners.

In summary, the Azimut 50 Fly is a versatile and high-performance yacht, perfect for those seeking a balance between luxury, comfort, and performance at sea.
