Technical Details

The Vitech 53 is an elegant and high-performance cruising boat, designed to offer an exceptional maritime experience. This model is appreciated for its perfect balance between comfort and performance, making it an ideal choice for leisure sailing enthusiasts.

Main Characteristics:

- Overall Length: 16.15 meters -
- Width: 4.90 meters -
- Draft: 2.50 meters -
- Displacement: Approximately 20 tonnes -
- Water Tank Capacity: 800 liters -
- Fuel Tank Capacity: 800 liters -

Engine: The Vitech 53 is equipped with reliable diesel engines, often Yanmar or Volvo Penta, offering a total power of 2 x 150 HP. These engines ensure stable and economical navigation, ideal for long crossings.

Interior Layout: The interior of the Vitech 53 is designed to offer maximum comfort. It features three double cabins, including an owner's suite at the bow, and two guest cabins. The bathroom is equipped with separate showers and electric toilets. The lounge is spacious and bright, with a large window offering an unobstructed view of the horizon.

Navigation Equipment: The Vitech 53 is equipped with the latest navigation tools, including a GPS, a sonar, a radar, and a VHF. These tools allow for safe and precise navigation, even in difficult conditions.

Comfort Equipment: For maximum comfort, the boat is equipped with an air conditioning system, an electric generator, and a water desalination system. A music and television system is also available for relaxation moments.

The Vitech 53 is a versatile boat, perfect for family or friends' cruises. Its robust construction and high-quality equipment make it a reliable choice for demanding sailors.
