Comments : PRICE REDUCED.

Built in Holland at KLASSEN, the VANCRAFT Yacht are units intended for both maritime and river use. Steel hull and teak superstructures (30mm), the quality of construction and finish of the site is recognized worldwide. The side quillons allow to have a good resistance to the sea. Air draft 3.60m and 2.60m lowered windshield. This convertible version is equipped with two DAF 6-cylinder engines of 120HP and 3600 hours only, and two thrusters (stern and bow)

Low consumption (5 liters at 1500 revolutions / minute, i.e. 8 knots).

The engine overhaul is up to date and the fleet of 9 batteries is new.

Generator, converters (3), forced air heating, gas and electric water heater, washing machine, pre-installation dishwasher, black water tank and 1000 liters of fresh water tank to enjoy a quality of life in exceptional edge.

Convertible saloon and dinette, huge owner???s cabin with separate shower and electric toilet, sanitary water pump in 220V and 24V.

TV, Radio CD, 4-burner oven, microwave, portholes with mosquito nets ...

Sailing and living aboard this true Rolls Royce of the sea is a pleasure that you will not find on any other boat of this style.
