## Technical Details

The Sea Ray 260 Sundancer is an elegant and versatile cruiser, designed to offer comfort and performance on the water. This Sea Ray model is particularly appreciated for its spacious design and modern amenities, making it an ideal choice for family outings or gatherings with friends.

**Main Features:**

- Overall Length: 8.03 meters -
- Width: 2.59 meters -
- Draft: 0.91 meters -
- Dry Weight: Approximately 2,500 kg -
- Fuel Capacity: 189 liters -
- Fresh Water Capacity: 45 liters -

**Engine:**

The Sea Ray 260 Sundancer is generally equipped with an inboard Mercruiser engine, offering sufficient power for smooth performance and optimized fuel consumption. The engine is often a 5.0L MPI EFI, developing approximately 220 horsepower, allowing for a comfortable cruising speed and exceptional maneuverability.

**Interior Layout:**

The interior of the 260 Sundancer is designed for comfort and functionality. It features a spacious cabin with sleeping accommodations for two people, a well-equipped galley with a sink, refrigerator, and countertop, as well as a complete bathroom with a shower. The cockpit is spacious and offers enough room to relax or entertain guests.

**Standard Equipment:**

This model is often equipped with standard features such as a GPS navigation system, sonar, VHF radio, cushioned seats, a retractable canopy, and safety systems like fire extinguishers and life jackets.

**Use:**

The Sea Ray 260 Sundancer is perfect for family outings, weekend trips on the water, or even longer cruises thanks to its comfort and storage capabilities. Its maneuverability and performance make it an excellent choice for experienced sailors as well as beginners.
