History of the Beneteau Shipyard

The **Beneteau** shipyard was founded in **1884** by Benjamin Bénéteau in Croix-de-Vie, France. Initially specialized in the construction of wooden fishing boats, the shipyard evolved to become one of the world leaders in the manufacture of fiberglass pleasure boats. Over the decades, Beneteau has known how to innovate and adapt to the changing needs of the market, while maintaining a reputation for excellence and quality. Today, Beneteau is recognized for its **high-performance boats** and its commitment to innovation and sustainability.
